Sicher ist sicher

Sehr geehrte Kunden,

mit der vorliegenden „Preisliste 2009“ wollen wir unsere partnerschaftlichen Geschäftsbeziehungen zu Ihnen weiter vertiefen. Aus diesem Grunde haben wir ein wichtiges Arbeitsmittel erstellt, das Ihnen den täglichen Umgang mit unseren Produkten deutlich erleichtern wird.

Zur Erläuterung und zum besseren Verständnis bitten wir Sie, folgende Punkte zu beachten:

- 1) Die Preisliste besteht aus 12 Kapiteln, unterteilt nach Produktgruppen und Verpackungen. Jedes Kapitel enthält separate Register, die nach Antrieben, Kopfformen und Oberflächen aufgeteilt sind.
- 2) Es handelt sich hierbei um eine Preisliste und nicht um eine Lagerliste. Es ist somit möglich, dass einzelne Positionen nicht lagerhaltig geführt werden. In diesen Fällen müssen Lieferzeiten und Mindestmengen abgestimmt werden.
- 3) Zu sämtlichen Artikeln sind die HECO®-Artikelnummern sowie die Prüfziffern aufgeführt. Aus diesen Artikelnummern kann der EAN-Code des jeweiligen Artikels abgeleitet werden (4019787 + Artikel Nr. + Prüfziffer).
- 4) Zur schnellen Orientierung sind oben und unten auf den Seiten die Produktgruppen hinterlegt (z.B. HFP = HECO-FIX-plus®). Zusätzlich finden Sie dort eine Abbildung der Schraube mit Darstellung des Antriebs. Die Oberfläche können Sie ebenfalls am Seitenrand über Symbole erkennen.
- 5) Bei allen Artikeln stehen Informationen zur jeweiligen Verpackung. Sämtliche Verpackungsdimensionen sind in den Tabellen auf dieser Ausklappseite aufgeführt.
- 6) Der Aufbau der Tabellen ist in der folgenden Grafik dargestellt:

| Abmessung | Artikelnummer | | Antrieb | Karton-Nr. | VE | VK-Karton | Palettenmenge | Brutto-Preis % | |
|-----------|---------------|---------------|---------|------------|-----|--------------|---------------|----------------|--------|
| | D x L | VG | | | | | | | TG |
| Size | Article No. | | Recess | Size | PCS | PCS | PCS | Gross Price | |
| D x L | full threaded | part threaded | | Box | Box | Outer-Carton | Pallet | per 100 PCS | |
| 2,5 | 10 | 17891 4 | | PZ 1 | VA1 | 1.000 | 10.000 | 840.000 | 1,65 € |
| | 12 | 17877 8 | | PZ 1 | VA1 | 1.000 | 10.000 | 840.000 | 1,65 € |
| | 15 | 23128 2 | | PZ 1 | VA1 | 1.000 | 10.000 | 840.000 | 1,70 € |

- 7) Grundsätzlich behalten wir uns Programmänderungen jederzeit vor.
- 8) Es können keinerlei Ansprüche aufgrund von Druckfehlern abgeleitet werden.

Wir hoffen, dass auch Ihre Arbeit mit Vorlage dieser neuen Preisliste deutlich vereinfacht wird. Um unsere Leistungen und unseren Lieferservice in Ihrem Interesse ständig zu verbessern, nehmen wir gerne Ihre Anregungen entgegen.

In diesem Sinne verbleiben wir mit freundlichen Grüßen aus dem Schwarzwald

Ihr HECO® Vertriebsteam

Dear Customer,

With the "2009 price list" we hope to further strengthen our close business relations with you. For this reason, we have created an important tool for considerably simplifying your daily dealings with our products.

By way of explanation and for improved understanding, we ask you to note the following points:

- 1) The price list comprises 12 chapters, which are subdivided into product groups and decimal packaging systems. Each chapter has separate indexes, which are divided according to drives, head types and surfaces.
- 2) This is a price list and not a stock list. It is thus possible that individual items are listed which are not in stock. In such cases delivery times and minimum quantities must be agreed upon.
- 3) The HECO® article numbers and check digits are listed for all articles. The EAN code of each article can be derived from these article numbers (4019787 + article no. + check digit).
- 4) To facilitate quick orientation, the product groups are marked at the top and bottom of the pages (e.g. HFP = HECO-FIX-plus®). A picture of the screw and drive are also shown here. Equally, the surface type can be recognized via symbols in the page margin.
- 5) Information on the respective pack sizes is also given for each article. All pack dimensions are listed in the tables on this fold-out page.
- 6) The structure of the tables is shown in the following diagram:

| Abmessung | | Artikelnummer | | An- | Karton- | VE | VK- | Paletten- | Brutto- |
|-----------|-----|---------------|---------------|-------|---------|-------|--------------|-----------|-------------|
| D | x L | VG | TG | trieb | Nr. | | Karton | menge | Preis % |
| Size | | Article No. | | Re- | Size | PCS | PCS | PCS | Gross Price |
| D | x L | full threaded | part threaded | cess | Box | Box | Outer-Carton | Pallet | per 100 PCS |
| 2,5 | 10 | 17891 | 4 | PZ 1 | VA1 | 1.000 | 10.000 | 840.000 | 1,65 € |
| | 12 | 17877 | 8 | PZ 1 | VA1 | 1.000 | 10.000 | 840.000 | 1,65 € |
| | 15 | 23128 | 2 | PZ 1 | VA1 | 1.000 | 10.000 | 840.000 | 1,70 € |

- 7) We reserve the right to make changes to the range at any time.
- 8) No claims whatsoever can be derived from printing errors.

We hope that the introduction of this new price list will help to considerably simplify your work. In order to be able to continually improve our services, products and delivery service for you, we welcome any comments or suggestions you may have.

With kind regards,
from Germany's Black Forest,

HECO® Sales Team

Verkaufs- und Lieferbedingungen der Firma HECO-Schrauben GmbH & Co. KG, 78713 Schramberg

1. VERKAUF

Alle Angebote gelten nur gegen umgehende Entscheidung. Die nachstehenden allgemeinen Verkaufsbedingungen gelten für den vorliegenden Vertrag und auch für alle künftigen Vertragsfälle, selbst wenn später unsere Bedingungen nicht erneut in Bezug genommen werden; sie gelten unter Ausschluss evtl. bestehender allgemeiner Vertragsbedingungen des Käufers, auch wenn wir nicht ausdrücklich widersprochen haben. Für Abmachungen, die unsere Vertreter oder Reisenden außerhalb dieser Verkaufsbedingungen eingehen, übernehmen wir keinerlei Verantwortung. Verkaufsabschlüsse und Sondervereinbarungen durch unsere Vertreter oder Reisenden bedürfen unserer ausdrücklichen Gegenbestätigung.

2. PREISE

Die vereinbarten Preise sind auf der Basis unserer derzeitigen Kosten kalkuliert. Sollten bis zum Tage des Abrufes oder der Lieferung unvorhergesehene Kostensteigerungen eintreten, so behalten wir uns ausdrücklich vor, unsere Verkaufspreise auch für das vorliegende Geschäft entsprechend zu berichtigen. Die Preise gelten, wenn nichts anderes vereinbart, ab unserem Werk, ausschließlich Verpackung. Falls FRANCO-Preise vereinbart sind, liefern wir die Ware unfrankiert ab Station. Die Vergütung der wirklich entstandenen gewöhnlichen Fracht wird in der Rechnung vorgenommen. Sendungen mit einem Netto-Warenwert über € 400,- liefern wir im Inland frei Haus. Zu den Preisen kommt die Mehrwertsteuer in der jeweiligen gesetzlichen Höhe hinzu. Für Sendungen unter € 120,- wird ein Mindermengenzuschlag von € 25,- berechnet.

3. VERPACKUNG

Papier- und Kartonverpackung werden nicht zurückgenommen. Bei Sendungen mit einem Netto-Warenwert über € 400,- berechnen wir keine Verpackung. Wir liefern grundsätzlich nur in Standardverpackungen. Werden geringere Mengen bestellt, runden wir entsprechend auf.

4. LIEFERZEIT

- 1) Von uns aufgegebene Lieferzeiten gelten stets nur als annähernd.
- 2) Die Lieferfrist verlängert sich angemessen bei Maßnahmen im Rahmen von Arbeitskämpfen, insbesondere Streik und Aussperrung, sowie beim Eintritt unvorhergesehener Hindernisse, die außerhalb unseres Willens liegen, soweit solche Hindernisse nachweislich auf die Fertigstellung oder Ablieferung des Liefergegenstandes von erheblichem Einfluss sind. Dies gilt auch, wenn die Umstände bei unseren Unterteilnehmern eintreten. Die vorbezeichneten Umstände sind auch dann von uns nicht zu vertreten, wenn sie während eines bereits vorliegenden Verzuges entstehen. Beginn und Ende derartiger Hindernisse werden wir in wichtigen Fällen dem Besteller baldmöglichst mitteilen.
- 3) Liegt Leistungsverzug im Sinne dieser Lieferbedingungen vor und gewährt der Besteller uns im Falle des Verzuges eine angemessene Nachfrist mit der ausdrücklichen Erklärung, dass er nach Ablauf dieser Frist die Annahme der Leistung ablehnen wird, und wird die Nachfrist nicht eingehalten, so ist der Besteller zum Rücktritt berechtigt. Ausgeschlossen sind – soweit gesetzlich zulässig – alle anderen weitergehenden Ansprüche des Bestellers, insbesondere auf Wandlung, Kündigung und Minderung sowie auf Ersatz von Schäden irgendwelcher Art, und zwar auch von solchen Schäden, die nicht an dem Liefergegenstand selbst entstanden sind.
- 4) Für den Fall unvorhergesehener Ereignisse im Sinne von Ziff. 4.2 der Lieferbedingungen, sofern sie die wirtschaftliche Bedeutung oder den Inhalt der Leistung erheblich verändern oder auf unseren Betrieb erheblich einwirken, und für den Fall nachträglich sich herausstellender Unmöglichkeit der Ausführung, wird der Vertrag angemessen angepasst. Soweit dies wirtschaftlich nicht vertretbar ist, steht uns das Recht zu, ganz oder teilweise vom Vertrag zurückzutreten. Schadensersatzansprüche des Bestellers wegen eines solchen Rücktritts bestehen nicht.
- 5) Wenn dem Besteller wegen einer Verzögerung, die infolge unseres Verschuldens entstanden ist, Schaden erwächst, so ist er unter Ausschluss weiterer Ansprüche berechtigt, eine Verzugsentschädigung zu fordern. Sie beträgt für jede volle Woche der Verspätung ein halbes Prozent, im ganzen aber höchstens fünf Prozent vom Wert desjenigen Teiles der Gesamtlieferung, der infolge der Verspätung nicht rechtzeitig oder nicht vertragsgemäß benutzt werden kann.
- 6) Die Einhaltung der Lieferfrist setzt die Erfüllung der Vertragspflicht des Bestellers voraus.

5. VERSAND

Lieferung erfolgt in jedem Falle auf Rechnung und Gefahr des Empfängers. Jeder Versand erfolgt nach bestem Ermessen, jedoch ohne Haftung für billigste und schnellste Verfrachtung.

6. KREDITWÜRDIGKEIT

Eingang der Geschäftsverbindung und Kreditlieferung machen wir von einer uns genügenden Auskunft abhängig. Bindung ist auch dann für uns ausgeschlossen, wenn der Auftrag bereits vor Eingang der Auskunft bestätigt sein sollte.

7. ZAHLUNG

Unsere Rechnungen sind, wenn nichts anderes schriftlich vereinbart ist, zahlbar ab Rechnungsdatum innerhalb 14 Tagen in bar mit 3 % Skonto oder innerhalb 30 Tagen in bar netto. Bei Überschreitung des Zieles behalten wir uns die Berechnung von Verzugszinsen in Höhe der üblichen Privatbankzinsen vor. Bei ungenügender Auskunft oder Vermögensverschlechterung sind wir berechtigt, für den offenen Saldo sofort Kasse zu verlangen, wobei uns das Rücktrittsrecht von laufenden Verträgen vorbehalten bleibt. Wird ein fälliger Rechnungsbetrag trotz zweimaliger Mahnung nicht bezahlt, so werden auch alle übrigen noch offenstehenden Rechnungsbeträge sofort fällig, und wir behalten uns das Recht vor, deren sofortige Barzahlung zu verlangen, auch wenn das vereinbarte Ziel noch nicht abgelaufen ist.

8. EIGENTUMSVORBEHALT

Wir behalten uns das Eigentum an dem Liefergegenstand vor, bis sämtliche Forderungen gegen den Besteller aus der Geschäftsverbindung einschließlich der künftig entstehenden Forderungen auch aus gleichzeitig oder später abgeschlossenen Verträgen beglichen sind. Dies gilt auch dann, wenn einzelne oder sämtliche Forderungen in eine laufende Rechnung aufgenommen wurden und der Saldo gezogen und anerkannt ist. Bei vertragswidrigem Verhalten des Bestellers, insbesondere bei Zahlungsverzug, sind wir zur Rücknahme des Liefergegenstandes nach Mahnung berechtigt und der Besteller zur Herausgabe verpflichtet. In der Zurücknahme sowie in der Pfändung des Gegenstandes durch uns liegt, sofern nicht das Abzahlungsgesetz Anwendung findet, ein Rücktritt vom Vertrag nur dann vor, wenn wir dies ausdrücklich schriftlich erklären. Bei Pfändungen oder sonstigen Eingriffen Dritter hat der Besteller uns unverzüglich schriftlich zu benachrichtigen. Der Besteller ist berechtigt, den Liefergegenstand im ordentlichen Geschäftsgang weiterzuverkaufen. Er tritt uns jedoch bereits jetzt alle Forderungen ab, die ihm aus der Weiterveräußerung gegen den Abnehmer oder gegen Dritte erwachsen, und zwar gleichgültig, ob die Vorbehaltsware ohne oder nach Verarbeitung weiterverkauft wird.

Zur Einbeziehung dieser Forderungen ist der Besteller auch nach der Abtretung ermächtigt. Unsere Befugnis, die Forderungen selbst einzuziehen, bleibt hiervon unberührt; jedoch verpflichten wir uns, die

Forderungen nicht einzuziehen, solange der Besteller seinen Zahlungsverpflichtungen ordnungsgemäß nachkommt. Wir können verlangen, dass der Besteller uns die abgetretenen Forderungen und deren Schuldner bekannt gibt, alle zum Einzug erforderlichen Angaben macht, die dazugehörigen Unterlagen aushändigt und den Schuldnern die Abtretung mitteilt. Wird der Liefergegenstand zusammen mit anderen Waren, die uns nicht gehören, weiterverkauft, so gilt die Forderung des Bestellers gegen den Abnehmer in Höhe des zwischen uns und dem Besteller vereinbarten Lieferpreises als abgetreten.

Die Verarbeitung oder Umbildung von Vorbehaltsachen wird durch den Besteller stets für uns vorgenommen. Wird die Vorbehaltsache mit anderen, nicht uns gehörenden Gegenständen verarbeitet, so erwerben wir das Miteigentum an der neuen Sache im Verhältnis des Wertes der Vorbehaltsache zu den anderen verarbeiteten Gegenständen zur Zeit der Verarbeitung. Für die durch Verarbeitung entstehende Sache gilt im übrigen das gleiche wie für die Vorbehaltsware. Wir verpflichten uns, die uns zustehenden Sicherungen insoweit frei zu geben, als ihr Wert die zu sichernden Forderungen, soweit diese noch nicht beglichen sind, um mehr als 20 % übersteigt.

9. GEWÄHRLEISTUNG

- 1) Beanstandungen sofort erkennbarer Mängel, insbesondere der Vollständigkeit der Lieferung, können nur innerhalb 8 Tagen nach Empfang der Ware berücksichtigt werden.
- 2) Bei Eingang in beschädigtem Zustand ist zur Wahrung des Rechts auf Gewährung von Schadenersatz gegenüber Spedition, Post oder Paketdienst eine Tatbestandsaufnahme von der Spedition bzw. Post oder Paketdienst zu verlangen.
- 3) Für Mängel der Lieferung, zu denen auch das Fehlen ausdrücklich zugesicherter Eigenschaften gehört, haften wir unter Ausschluss weiterer Ansprüche, indem alle diejenigen Teile unentgeltlich nach unserem billigen Ermessen auszubessern oder neu zu liefern sind, die sich innerhalb von 6 Monaten seit Inbetriebnahme infolge eines vor dem Gefahrübergang liegenden Umstandes als unbrauchbar oder in ihrer Brauchbarkeit nicht unerheblich beeinträchtigt herauszustellen. Die Feststellung solcher Mängel ist uns unverzüglich schriftlich zu melden. Ersetzte Teile gehen in unser Eigentum über.
- 4) Der Besteller hat ein Rücktrittsrecht, wenn wir eine uns gestellte angemessene Nachfrist für die Ausbesserung oder Ersatzlieferung bezüglich eines von uns zu vertretenden Mangels im Sinne der Lieferbedingungen durch unser Verschulden fruchtlos verstreichen lassen. Das Rücktrittsrecht des Bestellers besteht auch bei Unmöglichkeit oder Unvermögen der Ausbesserung oder Ersatzlieferung durch uns.
- 5) Ausgeschlossen sind, soweit gesetzlich zulässig, alle anderen weitergehenden Ansprüche des Bestellers, insbesondere auf Wandlung, Kündigung oder Minderung sowie auf Ersatz von Schäden irgendwelcher Art, und zwar auch von solchen Schäden, die nicht an dem Liefergegenstand selbst entstanden sind.

10. SACHMÄNGEL

- 1) Die Beschaffenheit der Ware richtet sich ausschließlich nach den vereinbarten technischen Liefervorschriften. Falls wir nach Zeichnungen, Spezifikationen, Mustern usw. unseres Partners zu liefern haben, übernimmt dieser das Risiko der Eignung für den vorgesehenen Verwendungszweck. Entscheidend für den vertragsgemäßen Zustand der Ware ist der Zeitpunkt des Gefahrübergangs.
- 2) Für Sachmängel, die durch ungeeignete oder unsachgemäße Verwendung, fehlerhafte Montage bzw. Inbetriebsetzung durch den Partner oder Dritte, übliche Abnutzung, fehlerhafte oder nachlässige Behandlung entstehen, stehen wir ebensowenig ein, wie für die Folgen unsachgemäßer und ohne unsere Einwilligung vorgenommener Änderungen oder Instandsetzungsarbeiten des Partners oder Dritter. Gleiches gilt für Mängel, die den Wert oder die Tauglichkeit der Ware nur unerheblich mindern.
- 3) Die Verjährung der Sachmängelansprüche richtet sich, soweit nichts anderes vereinbart ist, nach dem Gesetz.

11. SONSTIGE ANSPRÜCHE, HAFTUNG

- 1) Soweit sich nachstehend nichts anderes ergibt, sind sonstige und weitergehende Ansprüche des Partners gegenüber uns ausgeschlossen. Dies gilt insbesondere für Schadensersatzansprüche wegen Verletzung von Pflichten aus dem Schuldverhältnis und aus unerlaubter Handlung. Wir haften deshalb nicht für Schäden, die nicht an der gelieferten Ware selbst entstanden sind. Vor allem haften wir nicht für entgangenen Gewinn oder sonstige Vermögensschäden des Partners.
- 2) Vorstehende Haftungsbeschränkungen gelten nicht bei Vorsatz, bei grober Fahrlässigkeit unserer gesetzlichen Vertreter oder leitenden Angestellten sowie bei schuldhafter Verletzung wesentlicher Vertragspflichten. Bei schuldhafter Verletzung wesentlicher Vertragspflichten haften wir – außer in den Fällen des Vorsatzes oder der groben Fahrlässigkeit unserer gesetzlichen Vertreter oder leitenden Angestellten – nur für den vertragstypischen, vernünftigerweise vorhersehbaren Schaden.
- 3) Die Haftungsbeschränkung gilt ferner nicht in den Fällen, in denen nach Produkthaftungsgesetz bei Fehlern der gelieferten Ware für Personen- oder Sachschäden an privat genutzten Gegenständen gehaftet wird. Sie gilt auch nicht bei der Verletzung von Leben, Körper oder Gesundheit und beim Fehlen von zugesicherten Eigenschaften, wenn und soweit die Zusicherung gerade bezweckt hat, den Partner gegen Schäden, die nicht an der gelieferten Ware selbst entstanden sind, abzusichern.
- 4) Soweit unsere Haftung ausgeschlossen oder beschränkt ist, gilt dies auch für die persönliche Haftung unserer Angestellten, Arbeitnehmer, Mitarbeiter, gesetzlichen Vertreter und Erfüllungsgehilfen.
- 5) Die gesetzlichen Regelungen zur Beweislast bleiben hiervon unberührt.

12. WARENRÜCKGABE

Ware nehmen wir nur nach vorheriger Vereinbarung zurück. Bei Rückgaben, die nicht durch unser Verschulden erfolgen, behalten wir uns vor, die uns entstehenden Kosten bei der Gutschrift in Abzug zu bringen.

13. SONDERANFERTIGUNG

Mehr- oder Minderanfertigung bis zu 10 % ist zulässig.

14. ERFÜLLUNGORT

Erfüllungsort sämtlicher Verpflichtungen aus der Geschäftsverbindung ist Schramberg.

15. GERICHTSSTAND

Amtsgericht Oberndorf/Neckar.

16. VEREINBARUNGEN

Von Vorstehendem abweichende Vereinbarungen sind für uns nur verbindlich, wenn sie beiderseits schriftlich bestätigt sind.

Terms of Sale and Delivery of HECO-Schrauben GmbH & Co. KG, 78713 Schramberg

1. SALES

All offers only apply if a decision is made immediately. The following standard terms of sale apply to the present contract and to all future contracts, even if our terms are not referred to again later; they apply to the exclusion of any standard contract terms of the purchaser, even if we have not expressly rejected these. We accept no responsibility for terms agreed by our salespeople or travelling representatives separately from these terms of sale. Sales and special terms agreed by our salespeople or travelling representatives are subject to our express confirmation.

2. PRICES

The prices agreed are calculated on the basis of our current costs. Should costs unexpectedly increase before the date of call-off or delivery, we expressly reserve the right to adjust our sale prices accordingly, including for the present transaction. Unless otherwise agreed, the prices apply from our plant and exclude packing. If franco prices are agreed, we will deliver the goods unstamped on an ex station basis. Normal freight costs actually incurred will be included on the invoice. Within Germany all consignments exceeding € 400 net will be delivered free of charge. Prices are subject to the addition of VAT at the current statutory rate. For consignments below € 120 there will be a minimum volume surcharge of € 25.

3. PACKING

We do not take back paper or cardboard packing materials. In the case of consignments with a net value exceeding € 400 we do not charge for packing. We use only standard packing materials. If smaller amounts are ordered, we will round up accordingly.

4. DELIVERY TIMES

1) The delivery times which we quote are in all cases only approximate.

2) In the event of action in connection with labour disputes, in particular strikes and lockouts, or of unforeseen difficulties beyond our control which can be shown to have a significant effect on the production or delivery of the item to be supplied, the delivery period will be extended accordingly. This will also apply if such circumstances affect our own suppliers. We cannot be held responsible for the above mentioned circumstances, even if they arise at a time when we are already in arrears. In important cases we will inform the Orderer as soon as possible when such difficulties commence and cease to apply.

3) If we are in arrears as defined in these terms of delivery and the Orderer then grants us a reasonable extension of deadline accompanied by an express warning that after the expiry of this period he will refuse to accept delivery, the Orderer will be entitled to withdraw from the contract if the extended deadline is not met. To the extent legally possible, any more far-reaching claims of the Orderer are hereby excluded, in particular including claims to rescission, termination, a reduction of the price or compensation for losses of whatever kind, including damage not suffered to the item ordered itself.

4) Should an unforeseen event as specified in Subsection 4.2 of these terms of delivery occur which significantly alters the economic significance or the nature of what is to be supplied or has a significant effect on our business, or should it later turn out to be impossible to execute the order, the contract will be amended as appropriate. If this is not economically reasonable, we will be entitled to withdraw from the contract in whole or in part. The Orderer will not be entitled to claim damages on the basis of such a withdrawal.

5) If the Orderer suffers a loss due to a delay for which we are to blame, he will be entitled to claim compensation for that delay, subject to the exclusion of all further claims. This compensation will be equivalent to half a percent for each full week of delay up to a maximum of five percent of the value of that proportion of the whole delivery which due to the delay either cannot be put into service on time or cannot be used in accordance with the terms of the contract.

6) Adherence to delivery periods is conditional on the Orderer fulfilling his contractual obligations.

5. DISPATCH

Delivery will in all cases be at the expense and risk of the consignee. All consignments will be arranged in accordance with our best judgment, but without any responsibility for selecting the cheapest and quickest form of transport.

6. CREDITWORTHINESS

We will only enter into a business relationship and supply on credit if we receive a satisfactory credit report. We will not be bound even if an order is confirmed before the receipt of a report.

7. PAYMENT

Unless otherwise agreed in writing, our invoices are payable in cash within 14 days of the invoice date less a 3% discount or within 30 days net. If a payment deadline is not met, we reserve the right to charge interest on arrears at the normal private bank interest rate. If we receive an unsatisfactory report or if the Orderer's financial position deteriorates, we will be entitled to require the outstanding balance and we reserve the right to withdraw from current contracts. If a due invoice is not paid even after two formal reminders, all other outstanding invoices will become due immediately and we reserve the right to require their immediate payment in cash, even if the agreed deadlines have not yet expired.

8. RESERVATION OF TITLE

We reserve title to items supplied until all claims against the Orderer arising out of the business relationship have been settled, including claims arising in future on the basis of contracts concluded at the same time or later. This will apply even if some or all claims have been placed in a current account and the balance struck and accepted to be correct. If the Orderer commits a breach of contract, in particular if he falls into arrears with payment, we will, after issuing a formal reminder, be entitled to take back the item supplied and the Orderer will be under an obligation to hand over that item. Unless the German Hire Purchase Act [Abzahlungsgesetz] applies, the taking back or seizure of goods by us will only represent withdrawal from the contract if we state this expressly in writing. The Orderer must inform us immediately in writing in the event of seizure or other action by third parties which affects items supplied. The Orderer is entitled to resell the supplied items in the normal course of business. However, he hereby assigns to us with immediate effect all claims which may accrue to him against the purchaser or third parties out of such a resale, regardless of whether items subject to our reservation of title (reserved items) are resold with or without further processing. The Orderer remains entitled to collect such claims after the above assignment. This does not affect our authority to collect them ourselves, but we undertake not to collect such claims as long as the Orderer meets his payment obligations as agreed. We may demand that the Orderer supplies us with details of the claims assigned and the relevant debtors, provides us with all of the information necessary for collection, hands over the relevant documents and notifies the debtors of the assignment. If an item supplied is resold together with other goods which do not belong to us, a share of the Orderer's claim against the purchaser equivalent to the sale price agreed between us and the Orderer is hereby assigned.

Any processing or transformation of reserved items by the Orderer is in all cases carried out on our behalf. If a reserved item is processed together with other items which do not belong to us, we will acquire joint title to the new item in proportion to the ratio of the value of the reserved item to that of the other items

processed at the time of processing. Furthermore, the same applies to the item produced by processing as to the reserved item. We hereby undertake to release securities to which are entitled to the extent that their value exceeds the claims to be secured and not yet satisfied by more than 20%.

9. WARRANTY

1) Complaints about immediately detectable defects, in particular incomplete consignments, will only be accepted up to 8 days after receipt of the goods.

2) If goods arrive damaged, a written record of the facts must be demanded from the transport firm or postal or parcels service concerned in order to preserve the right to claim damages against them.

3) In the case of defects in consignments, including the absence of expressly guaranteed characteristics, we undertake, subject to the exclusion of all further claims, to repair or replace at our discretion, free of charge, all items which turn out to be unusable or of not insignificantly reduced usefulness within 6 months of their being put into service due to a circumstance which applied before the passing of risk. We must be notified immediately in writing if such defects are discovered. Replaced items will become our property.

4) The Orderer will be entitled to withdraw from the contract if we culpably fail to meet a reasonable extended deadline granted to us for a repair or replacement which is necessary because of a defect within the meaning of the terms of delivery for which we are responsible. The Orderer is also entitled to withdraw if we are incapable of repairing or replacing an item or if it is impossible for us to do so.

5) To the extent legally permissible, all other more far-reaching claims by the Orderer, in particular to rescission, termination, reduction of the price and compensation for losses of whatever kind, including damage which is not suffered to the item to be delivered itself, are hereby excluded.

10. DEFECTS OF QUALITY

1) The quality of the goods will be exclusively as specified in the agreed technical delivery terms. If we are instructed to supply items on the basis of drawings, specifications, samples etc. supplied by our contract partner, the latter must bear responsibility for their suitability for their intended use. The relevant time for the determination of whether items are as contractually agreed is the time of the passing of risk.

2) We are not responsible either for defects of quality resulting from inappropriate or improper use, incorrect assembly/installation/putting into service by our contract partner or a third party, normal wear and tear or incorrect or careless treatment, or for the results of inappropriate modifications or repair work carried out without our consent by our contract partner or a third party. The same applies to defects which reduce the value or usefulness of the goods concerned only to an insignificant degree.

3) Claims based on defects of quality will expire by limitation as prescribed by law, unless otherwise agreed.

11. OTHER CLAIMS, LIABILITY

1) Unless otherwise specified below, any other more far-reaching claims against us by our contract partner are hereby excluded. This applies in particular to claims for damages based on breaches of obligation or on tort. We are therefore not liable for damage or loss which is not suffered to the items to be delivered themselves. Above all, we are not liable for loss of profit or any other pecuniary losses suffered by our contract partner.

2) The above limitations of liability do not apply in the case of deliberately caused loss, gross negligence by our legal representatives or executive staff or culpable breach of essential contractual obligations. In the case of a culpable breach of essential contractual obligations we are – except in cases of deliberately caused loss or gross negligence by our legal representatives or executive staff – only liable for reasonably foreseeable losses typical of the type of contract concerned.

3) The above limitation does not apply either to liability under the German Product Liability Act [Produkthaftungsgesetz] for personal injury or damage to items in private use resulting from defects in goods supplied. Neither does it apply to injury to life, limb or health or the absence of guaranteed characteristics, if and to the extent that such a guarantee was provided specifically for the purpose of protecting our contract partner against losses not suffered to the items supplied themselves.

4) Exclusions or restrictions of our liability apply equally to the personal liability of our employees, legal representatives and vicarious assistants.

5) The above is without prejudice to legal provisions governing the burden of proof.

12. RETURN OF GOODS

We will only take goods back by prior agreement. If goods are returned through no fault of ours, we reserve the right to deduct the costs which we incur from the amount credited.

13. CUSTOMISED PRODUCTION

Over- or underproduction by up to 10% is permissible.

14. PLACE OF PERFORMANCE

The place of performance for all obligations arising out of the business relationship is Schramberg.

15. LEGAL VENUE

The Local Court [Amtsgericht] in Oberndorf/Neckar.

16. AGREEMENTS

Agreements which deviate from the above will only be binding on us if they are confirmed by both parties in writing.

Schramberg, March 2009
